

How to add DEL tokens to Parity Wallet

1. Select “Contracts” from the tabs at the top of the screen.
Note: if there is no such tab, it can be added from the “Settings” tab.
2. Click “Watch”
3. Select “Token” under “Choose a Contract Type” and Click “Next”

4. For Network Address, enter the token contract address:
0x02B9806a64cB05F02AA8dcc1C178b88159A61304
5. Double check the address after cut & pasting to make sure it matches the address above.
6. For Contract Name, enter: **DelphiToken**

ENTER CONTRACT DETAILS

✓ choose a contract type

2 enter contract details
